(Study programmes, and academic group)

## **DECLARATION OF GOOD FAITH OF THE STUDENT**

---

### **By recognising that:**

- truth, knowledge, and understanding are the highest values in research and education, and that the values stipulated in the Community Code of Conduct of the Klaipėda University of Applied Sciences, the Statute thereof, and the Law on Higher Education and Research of the Republic of Lithuania are also the values of the Klaipėda State University of Applied Sciences;
- advantage with regards to other members of the academic community can only be attained in good faith.

### **By acknowledging that academic integrity:**

- aids the openness of the research and education system, and the integration thereof into the international research and higher education environment, the development of a harmonious research and education system, and the fostering of ethically responsible individuals;
- promotes academic ethics, and the responsible execution of academic freedom and the principle of fair competition;
- strengthens trust in the value of higher education and research, and has a direct positive impact on the quality of studies, and the reputation of the research and education institution;
- limits the tolerance towards, and the flourishing of, social ills (especially corruption).

### **By understanding that:**

- each member of the academic community must take initiative to, and responsibility for, seeking solutions to academic unfairness, and the application of said solutions in each area of academic activity;
- the resolution to unconditionally uphold rules and the principle of academic fairness helps reduce the spread of the aforesaid problem.

### **By signing the present declaration with full awareness and of my own free will, I hereby undertake to:**

- uphold the provisions of the Community Code of Conduct of the Klaipėda University of Applied Sciences, as well as of other documents which regulate ethical behaviour, during the entire period of my studies;
- treat my duties as a student responsibly, and to implement them in good faith;
- set a good example for other members of the academic community, to show no tolerance for academic unfairness, and to discharge my duty to reveal and report on cases of such unfairness during the entire period of my studies;
- actively contribute to the development and fostering of a fair academic community at the Klaipėda University of Applied Sciences.

I hereby consent to being subject to the sanctions laid out in the Community Code of Conduct of the Klaipėda University of Applied Sciences in case of violation of the academic code of conduct when taking examinations and other interim tests, preparing and presenting independent and final works, conducting research, and publishing study results (e.g., in publications and during events).
