INTERNATIONAL SCIENTIFIC - PRACTICAL CONFERENCE SUSTAINABLE ENVIRONMENTAL DEVELOPMENT: INNOVATIVE TECHNOLOGIES

April 18, 2024, Klaipeda

I N V I T A T I O N

Reducing the environmental impact of industries, improving their eco-efficiency and developing economic sectors in a sustainable way are among the key priorities for sustainable development. The development of the business, health, education and industrial sectors is unthinkable without digitalization, artificial intelligence, robotics and other innovative technology solutions.

The aim of this scientific - practical conference is to bring together Lithuanian and foreign scientists and business representatives to address the problems of sustainable environmental development.

The Main Topics of the Conference:

- Innovation in Food Technologies and Nutrition
- Innovative Technologies to Improve Human Health
- Smart, Clean, Coherent Transport
- Energy and Sustainable Environment
- New Manufacturing Processes, Materials and Technologies
- Information and Communication Technologies
- An Inclusive and Creative Society
- Healthy Aging
- Digitization of Objects and Sustainable Construction

The Execution Form of the Conference: Mixed. You can take part in the conference either in person or remotely.

Scientific Committee of the Conference

Dr. Jurga Kučinskienė (Klaipėdos valstybinė kolegija / Higher Education Institution, Lithuania), Chairperson

Dr. Gita Šakytė-Statnickė (Klaipėdos valstybinė kolegija / Higher Education Institution, Lithuania)

Prof. habil. dr. Eglė Jotautienė (Vytautas Magnus University, Lithuania)

Dr. Ruslans Šmigins (Latvia University of Life Sciences and Technologies, Latvia)

Prof. dr. Vivita Pukite (Latvia University of Life Sciences and Technologies, Latvia)

Prof. dr. Pilar Cristina Izquierdo Gracia (Polytechnic University of Madrid, Spain)

Dr. Robert Grygo (Bialystok University of Technology, Poland)

Prof. hab. dr. Ramutis Klimas (Klaipėdos valstybinė kolegija / Higher Education Institution)

Dr. Alper Kerem (Kahramanmaraş Sütçü İmam University, Turkey)

Prof. dr. Vitalij Denisov (Klaipėda University, Lithuania)

Dr. Julija Andrejeva (Klaipėdos valstybinė kolegija / Higher Education Institution, Lithuania)

Prof. dr. Raul Alberto Carrilho Cordeiro (Portalegre Politechnic Institute, Portugal)

Prof. dr. Sahin Yildirim (Erciyes University, Turkey)

Dr. Marija Truš (Klaipėda University, Lithuania)

Dr. Jurij Tekutov (Klaipėdos valstybinė kolegija / Higher Education Institution, Lithuania)

Dr. Dorota Bylina (Jozef Pilsudski University of Physical Education in Warsaw, Poland)

Organizing Committee

Dr. Vijolė Bradauskienė, Chairperson of the Organizing Committee, Dean of the Faculty of Technologies

Dr. Sérgio António Neves Lousada, Madeira University, Portugal

Dainora Jankauskienė, Head of Environmental and Construction Engineering Department

Sigutė Ežerskienė, Head of Food Technologies and Nutrition Department

Jūratė Liebuviene, Head of Transport Engineering Department

Daiva Stanelytė, Head of Engineering and Informatics Department

Jarosław Sołtan, Stefan Batory Academy of Applied Sciences, University of Humanities and Economics in Łódź, Poland

Simona Urbonienė, Head of of Physiotherapy and Beauty Therapy Department

Monika Balčytienė, Head of Oral Care Department

Conference languages: Lithuanian, English

Important Registration Dates:

By 18 March, 2024 for presenting participants

By 16 April, 2024 for non-presenting participants

Registration form link: [\(LINK HERE\)](#)

Participant certificates will only be prepared for participants registered under this link.

Conference participation fee is 30 EUR

Please, make your money transfer to the following account:

Klaipėdos valstybinė kolegija / Higher Education Institution, Lithuania,

company code 111968056, VAT code LT119680515,

AB Bank "Swedbank", bank code 73000, SWIFT code: HABALT22,

account No. LT80 7300 0100 7417 8978,

Purpose: SUSTAINABLE ENVIRONMENTAL DEVELOPMENT, 2024

Publications of the Conference Announcements

Publications, corresponding requirements for scientific papers, will be published in periodical scientific journal "**Sustainable Environmental Development**", ISSN 2538-9017 (print) / ISSN 2538-9025 (online). Publications will be published in May 2024.

The periodical scientific journal "Sustainable Environmental Development" is referred in INDEX COPERNICUS and SIS, DOAJ international databases. Every article, published in this journal has assigned "Crossref DOI" link.

Information for authors you may find on the website:
