

# GREENENTRE 4DEAF

## WHAT IS GREENENTRE4DEAF?

An Erasmus+ project that:

- Promotes training in green entrepreneurship
- Adapts to the needs of the deaf community
- Develops accessible and innovative materials

## WHY IS GREEN ENTREPRENEURSHIP IMPORTANT IN DEAF COMMUNITY?

Deaf people often face barriers in accessing accessible entrepreneurship training. At the same time, the world needs sustainable ideas and creative solutions to climate change.

## GREEN ENTREPRENEURSHIP IS A WAY TO:

- Empowering deaf people as leaders of change.
- Develop business ideas with a positive impact on the environment.

# GREENENTRE 4DEAF

## ACCESSIBLE, SUSTAINABLE AND INCLUSIVE TRAINING

### ACCESSIBLE:

All GREENENTRE4DEAF resources are designed with the deaf community in mind:

- Sign language
- Subtitles
- Clear visual design
- Methodologies adapted to the learning environment

### SUSTAINABLE:

The content focuses on green entrepreneurship, promoting business ideas that:

- Protect the environment
- Promote the circular economy
- Encourage responsible and local consumption

### INCLUSIVE:

GREENENTRE4DEAF breaks down educational and employment barriers:

- Gives a voice to deaf people
  - Encourages active participation in the entrepreneurial ecosystem
  - Connects social inclusion with climate action
