

## GREEN INDUSTRY IN CYPRUS: Challenges and Opportunities for a Sustainable and Inclusive Economy.

### CHALLENGES IN THE GREEN TRANSITION

- High dependence on imported fossil fuels (>85%)
- Low recycling rates (~16–18%)
- Water scarcity (one of the most water-stressed countries in EU)
- Limited green skills in workforce

### OPPORTUNITIES

- Strong solar energy potential (300+ sunny days/year)
- EU Green Deal & Recovery funding
- Growth in renewable energy sector
- Expansion of green jobs & sustainable tourism
